LIFETIME AUTHORIZATIONS

PLEASE READ THIS CAREFULLY AND SIGN

- 1) I authorize the release of any medical information necessary to process my claim. I also request payment of benefits either to myself or to the party who accepts assignment. I understand that even though I have insurance, I am responsible for any balance due.
- 2) Dr. Suen and Dr. Tonner accept assignment on all Medicare patients. I understand that I am responsible for being aware of and meeting any deductibles. I understand that the 20% co-payment not covered by Medicare, or any co-payment not covered by private insurance, is expected on the day services are rendered. In case of financial hardship or difficulty, a financial arrangement must be made prior to initiation of treatment.
- 3) Our office will file all the primary and secondary insurance claims for our patients. In most cases, we will receive payment from the insurance companies. However, in cases of the insurance company sending the payment to the patient, we expect the payment to be surrendered in it's entirety. We ask that the patient endorse the check and forward to our office upon receipt as payment for services rendered by Dr. Suen and Dr. Tonner. By signing below you have indicated that you have read the aforementioned insurance disclosure and agree to comply with the policy set forth by our office.

PRESCRIPTION DRUG POLICY

The law requires responsible usage of prescription drugs by physicians and patients. If you accept a prescription from one of our physicians, you are also accepting the responsibility to use the drug for yourself and only as prescribed. Our responsibility is to prescribe medications in an appropriate dosage and amount, with clear instructions. We will also inform you of the reasons we are prescribing the drug, the expected benefits from its use, and the major precautions and side effects.

Prescription drugs have potential for abuse and are regulated closely by state and federal agencies. Certain, more closely controlled drugs (narcotic pain medications and tranquilizers) require even more responsibility on your part. We will accept NO excuses for their loss, theft and will not order replacement. We expect you to notify our office if you change drug stores so that the order at the first store may be cancelled.

Many prescription drugs are appropriate for short-term use only. If and when we feel it is not in your best interest to continue on a medication, we will tell you. If we cannot agree about your continued use of a substance, then we will require additional consultation with other specialists to help decide on the correct course of action.

Our office also requires a 24-48 hour call-in policy for the refill of your prescriptions. When your medications are getting low and you feel you will need a refill, please call our office with the name of your pharmacy and pharmacy phone number 24-48 hours prior so that we will have ample time to ask your treating physician and then call your medication in to your pharmacy. Please do not call the office again until we have been given the 24-48 hour time frame. Prescriptions will NOT be refilled after 12:00pm (noon) on Friday or on weekends.

Failure to follow these policies will force our office to terminate our professional relationship and may require us to file a report with the Department of Professional Regulation (DPR).

If you are in agreement with all the information that has been provided above, please sign your acceptance to abide by these policies.
